

# Łíídlı̨ Kúé First Nation

Men of all ages and cultures are welcome

The Circle will be based on confidentiality.

This will be the cornerstone of our success.

The Circle is a place where men can find their voices and speak of things that get in their way:

- The sadness of grieving and loss.
- Alcohol and drugs
- Residential school experiences
- Relationships

There is no connection to any church.

Each man can bring his own beliefs to the Circle.

Every Wednesday in LKFN boardroom 7 PM

Starts September 13th
